

NCAA Volunteer Coaches

**Did You Work as a
VOLUNTEER COACH
in an NCAA Division I
Athletics Program in a
Sport Other Than Baseball
Between 2019-2023?**

**YOU COULD BE
PART OF A CLASS
ACTION LAWSUIT.**

The lawsuit claims that certain NCAA rules that prohibited schools from paying wages, salaries, or benefits to Division I athletics coaches in sports other than baseball who were designated as “volunteer coaches” were anticompetitive.

You may be included in the lawsuit if you worked as a “volunteer coach” for any NCAA Division I sports program, other than baseball, any time between March 17, 2019 to June 30, 2023.
